

JUSTICE FOR RITA! JAIL FOR ABBEY!

JOIN US! We are protesting decisions made by Stanislaus District Attorney Birgit Flagger and Judge Ricardo Cordova that let corrupt, homicidal Sheriff Kari Abbey off with a slap on the wrist – probation, community service, and a minor fine. No jail time!

In 2010, then Sheriff deputy Kari Abbey unlawfully entered the home of her tenant Rita Elias, assaulted her, and tried to forcibly evict her; all over a late rent payment. The incident ended with Elias trying to scare away Abbey with a BB gun

and Abbey shooting and killing Elias.

Abbey was initially charged with murder, marijuana cultivation, possession of illegal weapons and steroids, conspiracy, child endangerment, and embezzlement for harassing tenants while working as a Sheriff, being paid with OUR tax dollars!

In court Judge Ricardo Cordova admitted that he had worked with Abbey, but chose NOT to recuse himself from the case; he later dropped Abbey's murder charge claiming she acted in self-defense. Last week the DA's office announced they offered Abbey a plea deal for probation, community service, and a minor fine. She won't spend a day in jail!

Concerned citizens are standing in solidarity to say we won't accept our local justice system playing favorites with Stanislaus Sheriffs! Enough is enough! Ya Basta!

We Demand:

EQUAL JUSTICE FOR ALL! PROSECUTE HOMICIDE, NO MATTER THE OFFENDER!!

D.A. BIRGIT FLADAGER & JUDGE CORDOVA RESIGN NOW!!!

NOTE: This is NOT the first time our local Justice system has played favorites with deputies. In 2009, Stanislaus Sheriff Chip Huskey admitted to having sex with his underage step-daughter, who testified he molested her from ages 3 to 17. DA Fladager's office gave him a deal of 1 year in county jail and HE DIDN'T EVEN HAVE TO REGISTER AS A SEX OFFENDER; virtually unheard of!
